# Percussion Lessons

## **\*instruction via Skype\***

Your progress in music does NOT have to be halted due to the worldwide pandemic. BBeck Percussion is here to help.

**BBeck Percussion proudly offers live, individual lessons which are 100% online utilizing Skype.** Signing up for a membership is completely free and this video communication tool allows you to continue your progress. All you will need is a computer or tablet that has a webcam and a microphone. I have many students who use their laptops, desktop computer, iPads and even their phones. The process is quite simple!

I have been giving lessons online for years and guarantee that this method can be incredibly effective.

**Lessons are offered in 25 or 55 minute time slots.**

**Costs for these lessons are \$25 for a 25 minute lesson or \$40 for a 55 minute lesson.**

**Payments are accepted via PayPal or Venmo and are due at the time of the lesson.**

Still unsure about giving this a try? Send an email to [info@bbeckpercussion.com](mailto:info@bbeckpercussion.com) and I will be happy to answer any additional questions you may have. I understand that this may be a new endeavor for many individuals, but want to make this as simple and smooth of a process as I possibly can.
